

1.1 Maintenance

*Touareg, Eos, Rabbit, GTI, Passat,
Passat Wagon
Model year 2007*

SERVICE SCHEDULE

Delivery Inspection

- Your authorized Volkswagen dealer will fill out the necessary information and stamp your Maintenance Booklet to confirm that the necessary services have been performed.
- Automobile technology changes constantly. Your authorized Volkswagen dealer always has the most current Service and Maintenance information for your Volkswagen model.

It is possible that this information may differ from the check points listed in this booklet. Your Volkswagen Service Advisor can answer any questions you may have.

- If you are not sure when to bring your car in for service, ask your authorized Volkswagen Service Advisor.

Delivery Inspection	
Before your vehicle is delivered to you, it is inspected according to factory guidelines. The Delivery Inspection was performed on:	
Next Service:	which ever occurs first Today's date and Volkswagen Dealer stamp
Date: _____	
Miles/Km: _____	
which ever occurs first	

First Service at 5,000 miles (8,000 km)

- Engine: Change oil and oil filter
- Brake system: Check brake pad thickness
- Water separator: Drain water (V6 engine only) (where applicable)
- Service Interval Display: Reset (where applicable)

First Service	
Date: _____	Today's date and Volkswagen Dealer stamp
Miles/Km: _____	
which ever occurs first	

Service of 10,000 miles (16,000 km)

- **Engine:** Change oil and oil filter
- **Water separation:** Drain water (TBI engine only) (where applicable)
- **Service Interval Display:** Reset (where applicable)
- **Service Interval Display:** Adapt (where applicable)
- **Windshield washer:** Check fluid level, add if necessary
- **Automatic shift lock:** Check operation including push/button position switch
- **Brake system:** Check for damage/leaks, brake pad thickness, brake fluid level
- **Wheels:** Inspect from front to rear
- **Rear spoiler:** Lubricate (New Beetle only)
- **Airbag system:** Visual check every 12 months regardless of mileage (alternators)
- **12V master and auxiliary battery:** Check (where applicable)
- **Tires:** Check tread depth, adjust/increase if necessary

Next Service	
Date _____	
Miles/Km _____	
When does service first	
Today's date and Volkswagen/Beetle stamp	

Service of 20,000 miles (32,000 km)

- **Engine:** Change oil and oil filter
- **Engine:** Check for leaks
- **Service Interval Display:** Reset (where applicable)
- **Exhaust system:** Check for damage and leaks
- **Water separation:** Drain water (TBI engine only) (where applicable)
- **Fuel filter:** Replace (TBI engine only)
- **Battery:** Check
- **Door windows:** Lubricate
- **Oil and pollen filter:** Replace (2.0L/Canada only)
- **Automatic transmission fluid drive:** Check fluid level and for leaks (JLH, TDI Canada only)
- **Cooling system:** Check coolant level, add if necessary
- **Windshield washer:** Check fluid level, add if necessary
- **Automatic shift lock:** Check operation including push/button switch
- **Automatic transmission:** Check for leaks
- **Manual transmission:** Check oil level, add if necessary, check for leaks
- **Wheels:** Rotate front-to-rear
- **Thermostat:** Check condition and pressure
- **Brake system:** Check for damage/leaks, brake pad thickness and brake fluid level
- **Drive shafts:** Check boots
- **On-board diagnostic system:** Check fault memory, purge if necessary
- **Rear frame:** Clean and lubricate
- **Front end:** Check that nuts on ball joints and tie rod ends check the nuts
- **Headlights:** Adjust
- **Rear spoiler:** Lubricate (New Beetle only)
- **12V master and auxiliary battery:** check (where applicable)
- **Airbag system:** Visual check every 12 months regardless of mileage (alternators)
- **Rear view:** Check thickness, bending, staining, heating and ventilation, air vents, heating, power windows and electrical systems
- **Tires:** Check tread depth, adjust/increase if necessary

- **Exhaust leaks:** Check conditions and condition. Adjust if necessary. (U.S. EPA Canada only)

- **Fueler charger:** (optional accessories only) (U.S. EPA Canada only)

Next Service:	
Date: _____	
Miles/Km: _____	
whichever occurs first	Today's date and Volkswagen Dealer stamp

Service at 30,000 miles (48,000 km)

- **Engine/Change oil and oil filter**
- **Water separator:** Check water (TFS engine only) (where applicable)
- **Service Interval Display:** Reset (where applicable)
- **Windshield wipers:** Check fluid level, add if necessary
- **Automatic shift lock:** Check operation including park/neutral position switch
- **Brake system:** Check for damage/brake pad thickness, brake fluid level
- **Wheels:** Rotate from front to rear
- **Seat belts:** (optional) (New Body only)
- **Airbag system:** Visual check every 12 months regardless of mileage (kilometers)
- **TV:** status and condition (optional) (check where applicable)
- **Tires:** Check tread depth, adjust tire pressure if necessary

Next Service:	
Date: _____	
Miles/Km: _____	
whichever occurs first	Today's date and Volkswagen Dealer stamp

Service at 60,000 miles (96,000 km)

- **Engine/Change oil and oil filter**
- **Engine:** Check for leaks
- **Service Interval Display:** Reset (where applicable)
- **Intermittent lights and power windows:** Check
- **Air suspension:** Check for leaks and damage (where applicable)
- **Exhaust system:** Check for damage/cracks
- **Fuel filter:** Replace (TFS engine only)
- **Water separator:** Check (TFS engine only) (where applicable)
- **Battery:** Check
- **Documentation:** Lubricate
- **Exhaust leak:** Check condition and condition, adjust if necessary
- **Windshield wipers:** Check fluid level, add if necessary
- **Automatic transmission:** Check for leaks
- **Manual transmission:** Check oil level, add if necessary, check for leaks
- **Automatic shift lock:** Check operation including park/neutral/safety switch
- **Automatic transmission fluid:** for oil Check level and for leaks add if necessary
- **Wheels:** Rotate from front to rear
- **Headlights:** Adjust

- **Throttle/cable** (Check condition and tension)
- **Brake system** Check for damage/brake pads/shoes, brake fluid level
- **Brake fluid** Replace every 2 years regardless of mileage (All models)
- **Spark plugs** Replace (all models except 2.0L TFSI, 4.2L V8 and 3.6L V6 FSI)
- **Air cleaner** Replace filter/cleaner
- **Cooling system** Check coolant level/add if necessary
- **Thermostat/pollen filter** (where applicable) replace
- **Power Steering** Check fluid level
- **Drive shafts** Check boots
- **Front end** Check front end wear on ball joints, tie rod ends, shock absorbers
- **On-board diagnostic system** Check fault memory, purge if necessary
- **Oil filter** (Check condition)
- **Automatic transmission** Check ATF
- **Rear spoiler** Lubricate (New Beetle only)
- **Hitting system** (Front) check every 6 months regardless of mileage (All models)
- **Road wear** (back) brake shoes, landing, steering, loading and ventilation, air conditioning, power accessories and electrical systems
- **GV** (water and auxiliary battery) check (where applicable)
- **Convertible top** Check function and check roll-over protection with convertible top open (New Beetle Convertible only)
- **Tires** Check tread depth, adjust tire pressure if necessary
- **Underbody** Check for damage
- **Wiper blades** Check condition
- **ESC/transmission** Change transmission fluid and filter (where applicable)
- **Convertible hard top** (with) Check function and for damage (New only)
- **Roller doors** Check fluid level/where applicable
- **Turbo charger** Lubricate screw motor rods (2.0L TFSI engine only)

Next Service	
Date: _____	
Miles/Km: _____	
whichever comes first	Today's date and Volkswagen Dealer stamp

Service at 50,000 miles (80,000 km)

- **Engine** Change oil and oil filter
- **Water separator** Replace water (TFSI engine only) (where applicable)
- **Service Interval Display** Reset (where applicable)
- **Windshield wipers** Check fluid level, add if necessary
- **Automatic shift lock** Check operation in: chocking/park/neutral position switch
- **Brake system** Check for damage/brake pads/shoes, brake fluid level
- **Wheels** Rotate from front-to-rear
- **Rear spoiler** Lubricate (New Beetle only)
- **Airbag system** Visual check/verify 12 months regardless of mileage (All models)
- **GV** (water and auxiliary battery) Check (where applicable)
- **Tires** Check tread depth, adjust tire pressure if necessary

Next Service:	
Date: _____	
Mileage/Km: _____	
whichever occurs first	Today's date and Volkswagen Dealer stamp

Service at 60,000 miles (96,000 km)

- Engine: Change oil and oil-filter
- Engine: Check for leaks
- Service Interval Display: Reset/replace (applicable)
- Exhaust system: Check for damage/noise
- Spark plugs: Replace (LAR, TFSI, LAR, FSI and LAR, FSI only)
- Water separator: Check water (TFSI engine only) (where applicable)
- Fuel filter: Replace (TFSI engine only)
- Battery: Check
- Door windows: Lubricate
- Dust seal and polycarbonate: Replace (LAR, Canada only)
- Air cleaner: Replace (where applicable)
- Cooling system: Check coolant level; add if necessary
- Windshield wipers: Check fluid level; add if necessary
- Automatic shift lock: Check operation including park/neutral/safety switch
- Automatic transmission: Check for leaks
- Manual transmission: Check oil level; add if necessary; check for leaks
- Timing belt: Check condition (where applicable)
- Automatic transmission final drive: Check fluid level and for leaks (LAR, TFSI Canada only)
- Vehicle: Rotate tires front to rear
- Drive-shaft(s): Check condition and grease
- Brake system: Check for damage/leaks, brake pad thickness and brake fluid level
- Drive-shaft(s): Check boots
- On-board diagnostic system: Check fault memory; purge if necessary
- Rear frame: Clean and lubricate
- Front axle: Check dust seal/wheel hub joints and for leaks; check tie rods
- Headlight: Adjust
- Rear squaker: Lubricate (New Beetle only)
- Airbag system: Visual check every 12 months regardless of mileage (where/when)
- Roadster: Check hinges, locking, steering, heating and ventilation, air conditioning, power windows and electrical systems
- GV-weight and auxiliary battery: Check where applicable
- Tires: Check tread depth, adjust/inflate pressure if necessary
- Tires: Change (indicate wear/wire rods) (LAR, TFSI engine only)

Next Service:	
Date: _____	
Mileage/Km: _____	
whichever occurs first	Today's date and Volkswagen Dealer stamp

Service at 70,000 miles (112,000 km)

- Engine/Change oil and oil filter
- Water separator/Check water (TBM engine only) (where applicable)
- Service Interval Display: Reset (where applicable)
- Windshield wipers: Check fluid level, add if necessary
- Automatic shift lock: Check operation including park/neutral/pull-in/vehicle
- Brake system/Check for damage/brake brake pad thickness, brake fluid level
- Wheelie Brake from front/rear
- Rear spoiler: Lubricate (New Beetle only)
- Airbag system/Visual check every 12 months regardless of mileage (wherever)
- LSI start and auxiliary battery: Check (where applicable)
- Tires: Check tread depth, adjust the pressure if necessary

Next Service:	
Date: _____	Today's date and Volkswagen Dealer stamp
Miles/Km: _____	
Vehicle service list	

Service at 80,000 miles (128,000 km)

- Engine/Change oil and oil filter
- Engine/Check for leaks
- Service Interval Display: Reset (where applicable)
- Exhaust system: Check for damage and leaks
- Air compressor: Check for leaks and damage (where only)
- Fuel filter: Replace (TBM engine only)
- Water separator/Check (TBM engine only) (where applicable)
- Battery Check
- Drive systems: Lubricate
- Spark plugs: Replace
- Air cleaner/Replace filter element (where applicable)
- Cooling system: Check coolant level, add if necessary
- Overhead pulley/lens (where applicable): Replace
- Timing belt: Check condition (where applicable)
- Timing belt: Replace (1.8L, TBM Canada only)
- Timing belt: Replace (1.2L engine only)
- Wheel hub: Check tension and condition, adjust if necessary
- Spark plugs: Replace (all models except 1.8L, 1.9L, 2.0L, 2.5L and 3.0L, V6)
- Check particle filter: Replace (2.0L TBM only)
- Interior lights and power window: Check
- Windshield wipers: Check fluid level, add if necessary
- Automatic shift lock: Check operation including park/neutral/safety/vehicle
- Automatic transmission: Check for leaks
- Manual transmission: Check oil level, add if necessary, check for leaks
- Automatic transmission/clutch drive oil: Check level for leaks, add if necessary
- Wheelie Brake from front/rear
- Headlights: Adjust
- Tire/spare wheel: Check condition and pressure
- Brake system/Check for damage/brake brake pad thickness, brake fluid level
- Power steering: Check fluid level
- Brake fluid: Replace every 1 year regardless of mileage (wherever)

- **Driver's side:** Check tires
- **Front end:** Check dust seals on ball joints, tie rod ends, shock absorbers
- **On-board diagnostic system:** Check fault memory, purge if necessary
- **Body:** Inspect Glass and Interiors
- **Automatic transmission:** Check ATF
- **Low-spacer:** Lubricate (New Models only)
- **Airbag system:** Visual check every 12 months regardless of mileage (Automated)
- **Brake test:** Check刹油油位, braking, steering, braking and ventilation, air brake, steering, power accessories and electrical systems
- **IFT master and auxiliary battery:** Check (where applicable)

- **Convertible top:** Check function and check roll-over protection with convertible top-up (New Beetle Convertible only)
- **Tires:** Check tread depth, adjust tire pressure if necessary
- **Underbody:** Check for damage
- **Wiper Motor:** Check condition
- **IFT transmission:** Change transmission fluid and filter (where applicable)
- **Removable hardtop/roof:** Check function and for damage (New only)
- **Ball joints:** Check ball level before upgradable
- **Torque changes:** Lubricate screw motor ends (Self-IFT engine only)

Next Service:	
Date: _____	Today's date and Volkswagen Dealer stamp
Miles/Km: _____	
whichever occurs first	

Service at 50,000 miles (74,000 km)

- **Engine:** Change oil and oil filter
- **Water separator:** Drain water (TBI engine only) (where applicable)
- **Servos (steering display):** Inspect (where applicable)
- **Windshield wiper:** Check fluid level, add if necessary
- **Automatic shift lock:** Check operation, including park neutral position switch

- **Brake system:** Check for damage/brake, brake pad thickness, brake fluid level
- **Washers:** Refill from front to rear
- **Low-spacer:** Lubricate (New Models only)
- **Airbag system:** Visual check every 12 months regardless of mileage (Automated)
- **IFT master and auxiliary battery:** Check (where applicable)
- **Tires:** Check tread depth, adjust tire pressure if necessary

Next Service:	
Date: _____	Today's date and Volkswagen Dealer stamp
Miles/Km: _____	
whichever occurs first	

Service of 100,000 miles (160,000 km)

- Engine: Change oil and oil filter
- Engine: Check for leaks
- Service Interval Display: Reset (where applicable)
- Fuel system: Check for damage and leaks
- Water separator: Drain water (TFS engine only) (where applicable)
- Fuel filter: Replace (TFS engine only)
- Battery: Check
- Gear assembly: Lubricate
- Clutch assembly: Check (where applicable), replace
- Cooling system: Check coolant level, add if necessary
- Windshield wipers: Check fluid level, add if necessary
- Automatic shift lock: Check operation including park/neutral/safety switch
- Automatic transmission: Check for leaks
- Manual transmission: Check oil level, add if necessary, check for leaks
- Wiper: Rotate from front to rear
- Tire/square wheel: Check condition and pressure
- Brake system: Check for damage/leaks, brake pad thickness and brake fluid level
- Driveline: Check boots
- On-board diagnostic system: Check fault memory, purge if necessary
- Roof frame: Clean and lubricate
- Front axle: Check shock absorber joints and tie rod ends, check tie rods
- Headlight: Adjust
- Rear axle: Lubricate (New Beetle only)
- Airbag system: Visual check every 12 months regardless of mileage (kilometers)
- Road test: Check tie-downs, loading, steering, heating and ventilation, air conditioning, power accessories and electrical systems
- Timing belt: Check (where applicable)
- 12V starter and auxiliary battery: Check (where applicable)
- Tire: Check tread depth, adjust tire pressure if necessary
- Turbo charger: Lubricate across motor side (2.0L TFS engine only)

Next Service	
Date: _____	
Miles/km: _____	
Indicates next service	Today's date and Volkswagen dealer stamp

Service of 110,000 miles (176,000 km)

- Engine: Change oil and oil filter
- Water separator: Drain water (TFS engine only) (where applicable)
- Service Interval Display: Reset (where applicable)
- Windshield wipers: Check fluid level, add if necessary
- Automatic shift lock: Check operation including park/neutral/safety switch
- Brake system: Check for damage/leaks, brake pad thickness, brake fluid level
- Wiper: Rotate from front to rear
- Rear axle: Lubricate (New Beetle only)
- Airbag system: Visual check every 12 months regardless of mileage (kilometers)
- 12V starter and auxiliary battery: Check (where applicable)

- **Then:** Check level, depth, adjust tire pressure if necessary.

Next Service	
Date: _____	
Mileage/Km: _____	
whichever occurs first	Today's date and Volkswagen Dealer stamp

Service at 120,000 miles (190,000 km)

- **Engine:** Change oil and oil filter
- **Engine:** Check for leaks
- **Service Interval Display:** Reset (where applicable)
- **Exhaust system:** Check for damage and leaks
- **Fuel filter:** Replace (TFS engine only)
- **Water separator/strainer (TFS engine only):** replace (applicable)
- **Battery:** Check
- **Brake system:** Lubricate
- **Suspension:** Inspect
- **Air cleaner:** Replace (if the element is dirty or applicable)
- **Cooling system:** Check coolant level and if necessary
- **Drive and pollen filter (where applicable):** replace
- **Timing belt and timing/camshaft:** Replace (US, TFS and L6, Canada only)
- **Water:** Check amount and condition; adjust if necessary
- **Belts and hoses:** Check condition
- **Spark plugs:** Replace
- **Windshield wipers:** Check fluid level and if necessary
- **Automatic shift lock:** Check operation (if checking park interlock safety switch)
- **Automatic transmission:** Check for leaks
- **Manual transmission:** Check oil level and if necessary; check for leaks
- **Automatic transmission fluid:** level oil; Check level and for leaks; add if necessary
- **Wheels:** Rotate from front to rear
- **Headlight:** adjust
- **Tires/spare wheel:** Check condition and pressure
- **Brake system:** Check for damage; brake pad thickness, brake fluid level
- **Power steering:** Check fluid level
- **Brake fluid:** Replace every 2 years regardless of mileage (kilometers)
- **Drive shafts:** Check joints
- **Front axle:** Check dust seals on ball joints, tie rod ends, check tie rods
- **On-board diagnostic system:** Check fault memory; purge if necessary
- **Headliner:** Clean and lubricate
- **Automatic transmission:** Check ATF
- **Rear spoiler:** Lubricate (New Beetle only)
- **Airbag system:** Visual check every 12 months regardless of mileage (kilometers)
- **Roof rack:** Check fit/closure, loading, unloading, lashing and ventilation, air conditioning, power accessories and electrical systems
- **ATF starter and auxiliary battery:** check, replace (applicable)
- **Convertible top:** Check function and check roll-over protection with convertible top open (New Beetle Convertible only)
- **Tire:** Check tread depth, adjust tire pressure if necessary
- **Body/body:** Check for damage
- **Wiper blades:** Check condition
- **EMG transmission:** Change transmission fluid and filter (where applicable)

■ **Removable headings only:** Check function and for damage (line only)

■ **Roller-heads:** Check Roll level (where applicable)

■ **Tire changes:** Lubricate wheel nut(s) only (200, T20 engine only)
